## Table of Contents

<u>I</u> <u>Introduction</u> .....	1
<u>II</u> <u>Background</u> .....	2
A. Context .....	2
B. The Current Plan .....	6
<u>III</u> <u>Alternatives Analysis</u> .....	10
A. Alignment, Function, and Cost .....	10
B. Congestion Relief (Build/No Build) .....	14
1. Year 2010 Analysis.....	14
2. Year 2025 Analysis.....	21
C. Roadway Based Alternatives to Extending Paseo del Norte .....	26
D. Non General Purpose Lanes Based Strategies .....	28
1. Public Transportation .....	29
2. Intelligent Transportation Systems .....	31
3. Land Use Options .....	32
<u>IV</u> <u>Findings</u> .....	33

Appendix A — Brief Note on the Methodology used for Estimating  
Direct Cost of Travel

Appendix B — Travel Time Effects of Including Paseo del Norte Extension  
P.M. Peak Hour Conditions, 2010 and 2025  
MRCOG Regional Travel Model

Appendix C — Land Use Imbalance, MRCOG Projections

## List of Figures

Figure 1 Focus Area .....	2
Figure 2 Population Growth 2000-2005.....	3
Figure 3 2001 Traffic Crashes.....	4
Figure 4 2005 Roadway Network, 2025 MTP .....	7
Figure 5 2010 Roadway Network, 2025 MTP .....	8
Figure 6 2015 Roadway Network, 2025 MTP .....	9
Figure 7 Long Range Roadway System Map.....	11
Figure 8 Paseo del Norte Alignments Considered in the 1992 Unser EIS .....	12
Figure 10 Trips Using Paseo del Norte Extension in 2010 .....	15
Figure 11 Daily Trip per Acre for Trips Using Paseo del Norte Extension, 2010 .....	16
Figure 12 Difference in Daily Traffic Volumes with Paseo del Norte Unser, and Golf Course .....	17
Figure 13 2010 P.M. Peak V/C Ratios, Network Includes Paseo del Norte Extension .....	19

---

---

Figure 14	2010 P.M. Peak V/C Ratios, Network Does Not Include Paseo del Norte Extension.....	20
Figure 15	Difference in Daily Traffic Volumes in 2025, PDN Extension vs. No PDN Extension .....	22
Figure 16	2025 P.M. Peak V/C Ratios Network Includes the Paseo del Norte Extension.....	24
Figure 17	2025 P.M. Peak V/C Ratios Network Does Not Include the PDN Extension .....	25
Figure 18	Difference in Daily Traffic Volumes Paseo del Norte Extension vs. Unser Improvements .....	27
Figure 19	Difference in Daily Traffic Volumes Included 6-Lane Portion of Unser vs. PDN Extension .....	29
Figure 20	Existing and 2025 Bus Routes .....	30
Figure 21	Proposed Stage 1 ITS Deployment .....	31

## **List of Tables**

Table 1	2005 Roadway Network for Paseo Area in 2025 MTP.....	7
Table 2	2010 Roadway Network for Paseo Area in 2025 MTP.....	8
Table 3	2025 Roadway Network for Paseo Area in 2025 MTP.....	9
Table 4	1992 Cost of Alternatives .....	13
Table 5	Comparison: Extending Paseo del Norte vs. Not Extending Paseo del Norte (Analysis Year: 2010) .....	21
Table 6	Comparison: Extending Paseo del Norte vs. Not Extending Paseo del Norte (Analysis Year: 2025) .....	23
Table 7	Comparison: Extending Paseo del Norte vs. Constructing Unser Middle (Analysis Year: 2010) .....	27
Table 8	Comparison: Extending Paseo del Norte vs. Expanding Unser to 6 Lanes between Western Trail and Universe (Analysis Year 2025) .....	28
